

Styled Table Example

ID	Description	Status	Price
1	Simple row with short text	Active	\$ 0.00
2	This description is very long and will wrap into multiple lines. Because we set the column vertical alignment to Center, this text will stay vertically centered even as the row height grows to accommodate the wrapped lines.	Pending	\$ 120.00
3	Another record	Done	\$ 99.90
