

Text with Margins Sample

This paragraph has a large margin top.

This paragraph is separated by the margin bottom of the previous one.

Centered text with top and bottom margins

This paragraph has a LEFT margin of 100 points, so it is indented significantly from the standard page boundary.

This paragraph has a RIGHT margin of 100 points, so when it word wraps, it will do so much earlier than reaching the end of the page.

This paragraph is centered, but with a 50pt left margin and 20pt right margin. Notice how the center respects the new bounded box!

The end of the margin demonstration.
